It's time to clear the cobwebs

**What stopped you in the past, doesn't
have to stop you in the future.**

Pretend – just for a moment...

What if you COULD have it all?

VISION CASTING

Write a letter to YOU

Pretend it's 3 years from now and you have actually brought into your life – with grace and ease all the things you wrote on the goal sheet.

What is your typical business day now like?

Really FEEL Into It AS IF It Has Happened!

- Who are your clients?
- Who do you celebrate with?
- How do you celebrate?
- Where did you vacation?
- What awards have you won?
- Where have you been of service (charities, etc.)
- How has your family been positively impacted?

Caution #1:

Disregard the..

**I don't know how's
what if's and
self-doubt**

**It is most likely your illusion of
how it *couldn't be done* that has
stopped you from having the
freedom you deserve**

Caution #2:
Keep Your
Vision private ...
just for now

**Your Vision is a delicate, beautiful
creation that is fragile. Share it
ONLY with people who you know
will absolutely lift you up, believe
and you and support you.**

***NO NAYSAYERS, DREAM SLAYERS
OR NEGATIVE NELLIES ALLOWED!***

VISION CASTING
