

Mastermind Principles

RELEASE: I release myself to the Mastermind because I am strong when I have others to help me.

BELIEVE: I believe the combined intelligence of the Mastermind creates a wisdom far beyond my own.

UNDERSTAND: I understand that I will more easily create positive results in my life when I am open to looking at myself, my challenges and opportunities from another's point of view.

DECIDE: I decide to release my desire totally in trust to the Mastermind and I am open to accepting new possibilities.

FORGIVE: I forgive myself for mistakes I have made. I also forgive others who have challenged me in the past so I can move into the future with a clean slate.

ASK: I ask the Mastermind to hear what I really want; my goals, my dreams and my desires, and I hear my Mastermind partners supporting me in my fulfillment.

ALLOW: I allow my Mastermind partners to hold me accountable and remind me of my goals and desires in a spirit of love and support.

KNOW: I know, relax and accept, believing that the working power of the Mastermind responds to my every need. I am grateful knowing this is so.

DEDICATION & COVENANT: I now have a covenant in which it is agreed that the Mastermind shall supply me with an abundance of all things necessary to live a success-filled and inspired life. I dedicate myself to be of maximum service, to live in a manner that will set the highest example for others to follow, and to remain an open channel of Universal Love. I go forth with a spirit of enthusiasm, excitement and expectancy. I am at peace.
